

[Release for Associational and Church Newsletters]

Let's **LIVE IT!**

On May 13, 2006, WMU of Virginia will premiere **LIVE IT!** – a year long focus which encourages Virginia Baptists to connect as they live out Christ's call. A special Virginia Resource will be released in CD and printed format, to assist local churches as they live out missions in their congregation, community, and around the world.

WMUV staff will be available on May 13 for phone consultation both in the Richmond office and at CrossRoads. Also, interactive phone bridges will be offered from 9:00 a.m. – 5:00 p.m. with topics that include: Community Transformation, the Alma Hunt Offering for Virginia Missions, Aging, World Missions Unlimited, Health and Wellness, Age-level Missions, and opportunities for hands-on involvement. Participants for the phone bridges must register in advance and will incur no cost.

L.ively **I**.nternet **V**.irtual **E**.xperience (**L.I.V.E.**) is the new web-based resource that presents a monthly topic of interest. Each topic includes Biblical content, illustrative stories, additional resources/links and a theological basis for being involved in a variety of mission opportunities. **L.I.V.E.** can be used by an individual, small group or congregation for missions learning and involvement.

For more information on **LIVE IT!** go to www.wmu-va.org or call 1-800-255-2428 ext. 8267.
